

Will Ye No' Come Back Again

[*Man singing, accordion playing*] Bonnie Charlie's noo awa
Safely o'er the friendly main;
Mony a heart will break in twa,
Should he ne'er come back again.

*Will ye no come back again?
Will ye no come back again?
Better loed ye canna be;
Will ye no come back again?*

[*Women humming in background*] Mony's the gallant sodger fought,
Mony's the gallant chief that dead
Death itself was dearly bought
A' for Scotland's king and law

[*Women join in singing*] *Will ye no come back again?
Will ye no come back again?
Better loed ye canna be;
Will ye no come back again?*

[*Chorus of men join in singing*] Now the lav'rock's note and lang,
Liltin' wildly up the glen,
And these were the words of this sweet song,
Will ye no come back again?

*Will ye no come back again?
Will ye no come back again?
Better loed ye canna be;
Will ye no come back again?*
